*The General Annual*
*of 1960*

WOOSTER HIGH SCHOOL
WOOSTER, OHIO

As we, the students of Wooster High, leave after completing another year of school, we look at some of our more precious memories of this year. It has been a wonderful year. For many there are more wonderful years to come; but the seniors have completed their last year of high school and are on their way to face the world.

As the seniors say good-by to the school and to many of their friends, they are filled with mixed emotions. Perhaps tears come to their eyes as they recall the familiar sounds of Wooster High: the sound of a heated pep rally, of crowded halls between classes, of the band playing and the choir singing, of soft music at a school dance, of the friendly voices of classmates, of their own footsteps as they walk down the front steps for the last time. Here is the place where they have made so many friends which they must now leave as they pass this milestone in life.

With this annual each of you may take all your friends and memories with you. May you never open this book without feeling some nostalgia and happiness for your high school days, the best days of your life.

MR. ROLAND W. SAYRE

## The Principal

Although busy with the responsibility of supervising the high school, Mr. Sayre has time to remain a friend of the students. He is ever willing to offer his guidance to any student who seeks it.

The job of organizing and executing the plans for the operation of a high school our size is an enormous one; however, Mr. Sayre handles this adeptly.

Mr. Sayre strives to keep Wooster High School operating at peak performance.

## The Assistant Principal

MR. RANDALL HARTLEY

MR. RAY HARPER, MRS. EDITH JOSS

## The Counselors

# *The Superintendent*

This year Mr. Rasmussen came to Wooster to fill the position of Superintendent of Wooster City Schools. His performance has been outstanding. He has promoted salutary advances in Wooster's educational system.

Although a busy man, Mr. Rasmussen always finds time to show interest in Wooster High.

The Wooster City School System has a bright future under the supervision of its new superintendent.

MR. L. V. RASMUSSEN

MR. RALPH BEECHY

# *The Assistant Superintendent*

The Rev. John Kindsvatter, Mr. George Groop, Mr. Chester Shamel, Dr. Howard MacMillian, Dr. John Chittum, Mr. Roy Miller, *Clerk*.

# *The Board of Education*

Though not always realized by students, the Wooster City Board of Education plays an important part in their lives. It is the responsibility of the Board to organize and control every aspect of the Wooster City School system.

This past year the Board of Education moved forward in its attempt to provide adequate facilities for Wooster's youth by putting a bond issue before the people. It has also spent a great deal of time in outlining a sound financial system for operating expenses, which includes teaching personnel, utilities, and non-instructional personnel. The board made steps forward in both the physical and instructional aspects of education for Wooster schools.

The Board of Education strives to provide the best facilities possible for Wooster's youth.

Mr. C. E. Shamel ..... *President*

Dr. John Chittum ..... *Vice-president*

Mr. Roy W. Miller ..... *Clerk*

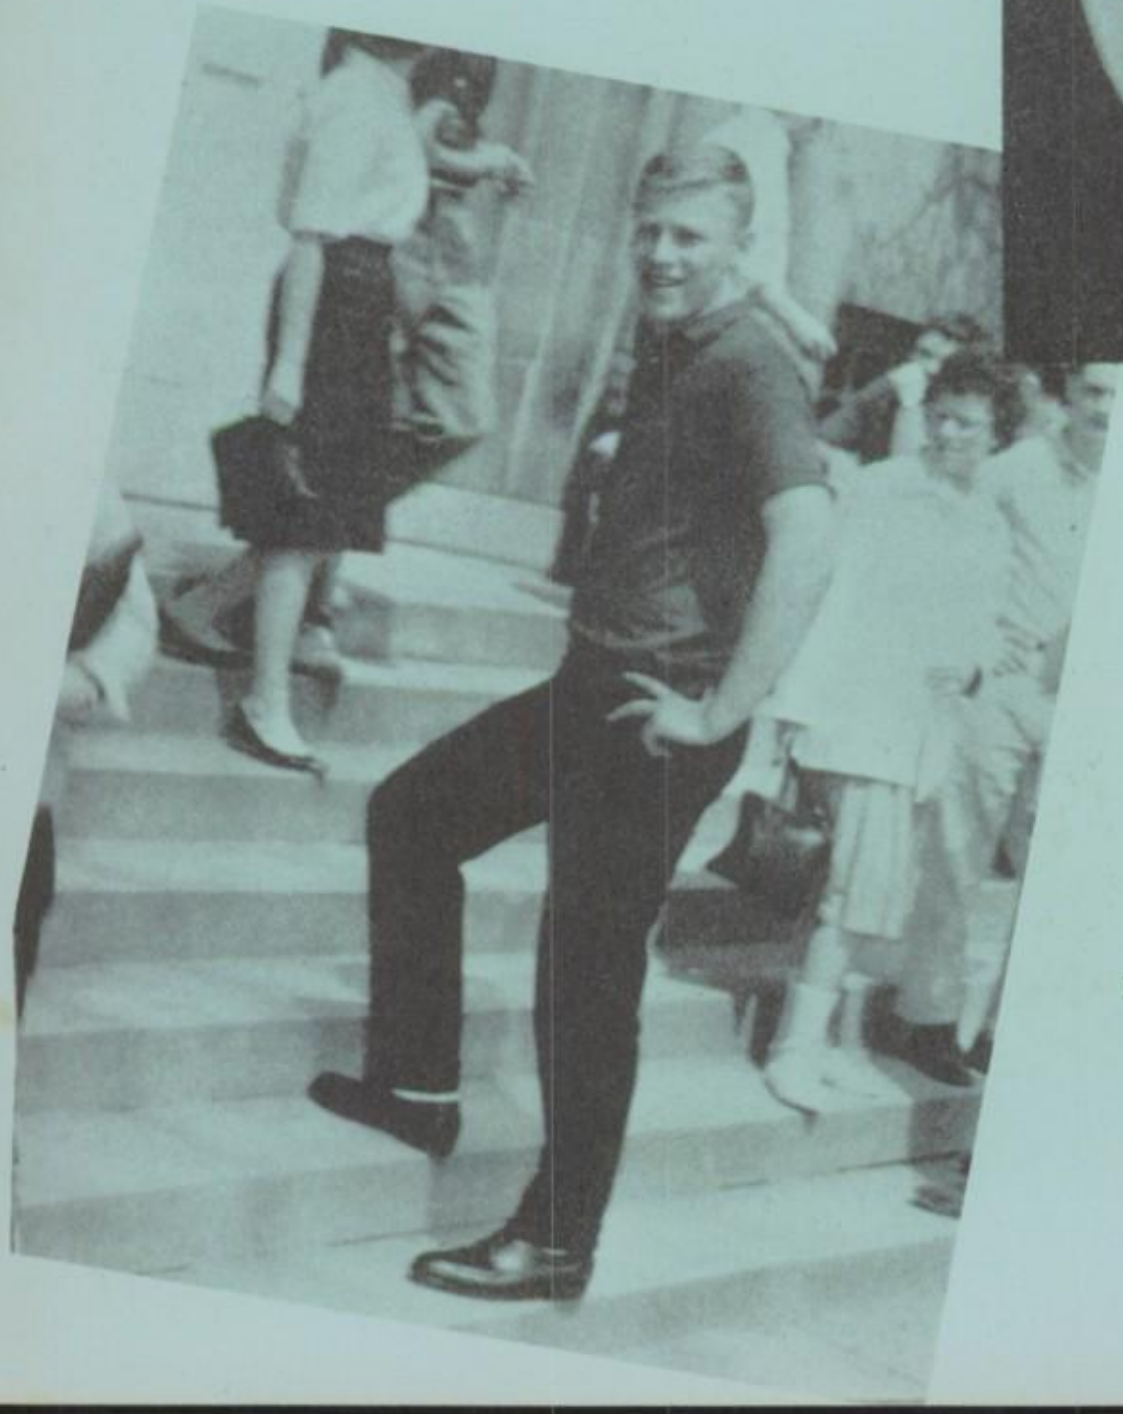
# A DAY in the LIFE of TWO WOOSTER HIGH SCHOOL SENIORS

60

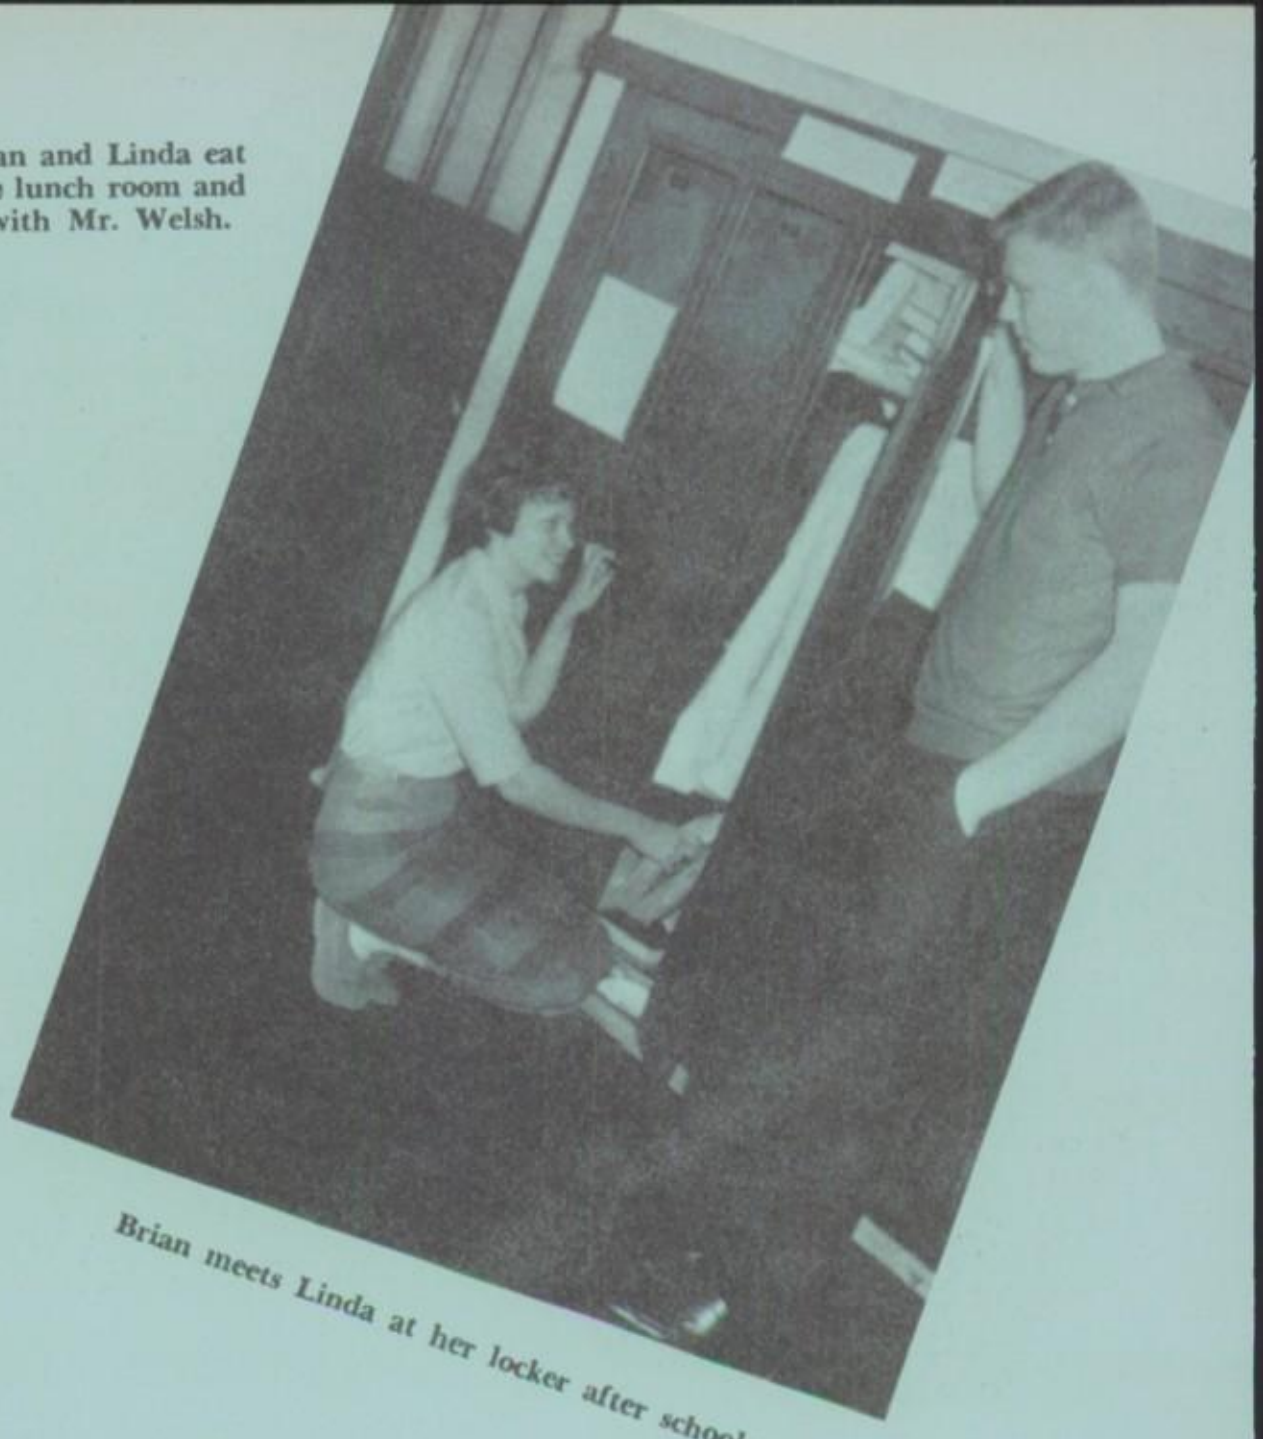
In the early morning Linda is up and on her way to school.

Brian and Linda meet in front of the principal's office.



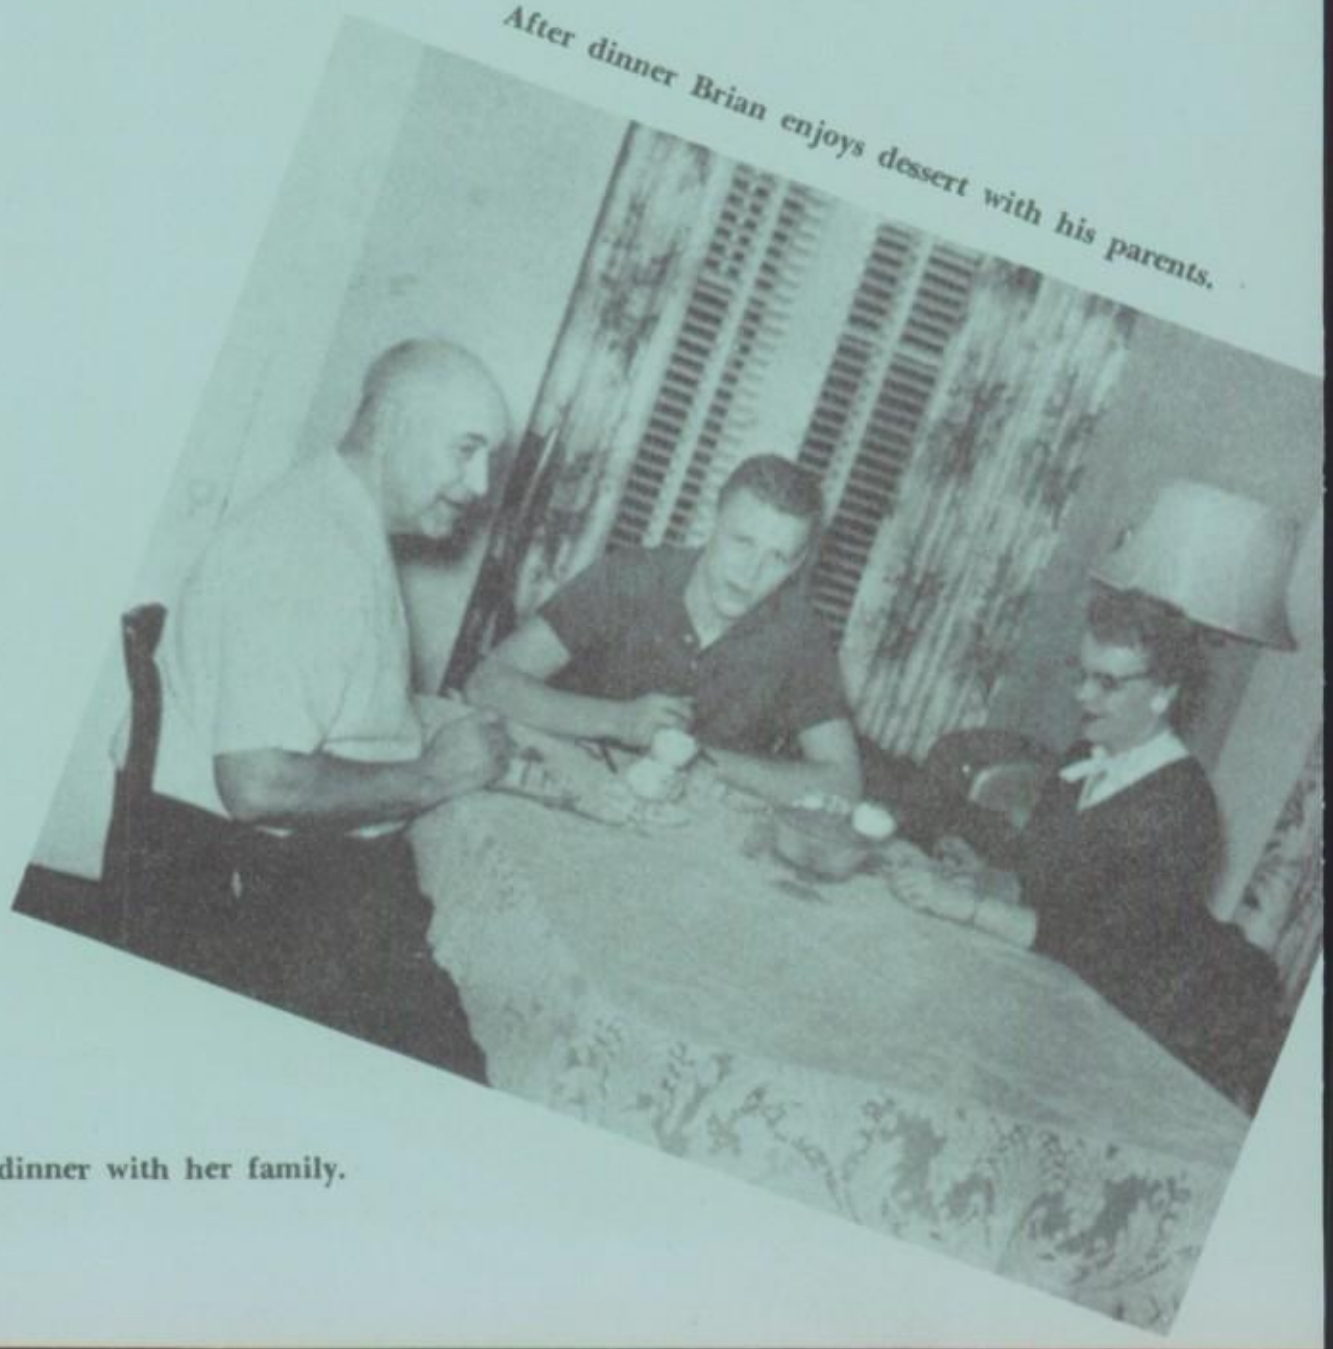
Brian plods up the front steps to school.

Brian and Linda eat in the lunch room and talk with Mr. Welsh.



Brian meets Linda at her locker after school.

At Dr. Thomas' office, Linda takes good care of Miss Nesbitt's dog, Melissa.



After dinner Brian enjoys dessert with his parents.

Linda has dinner with her family.

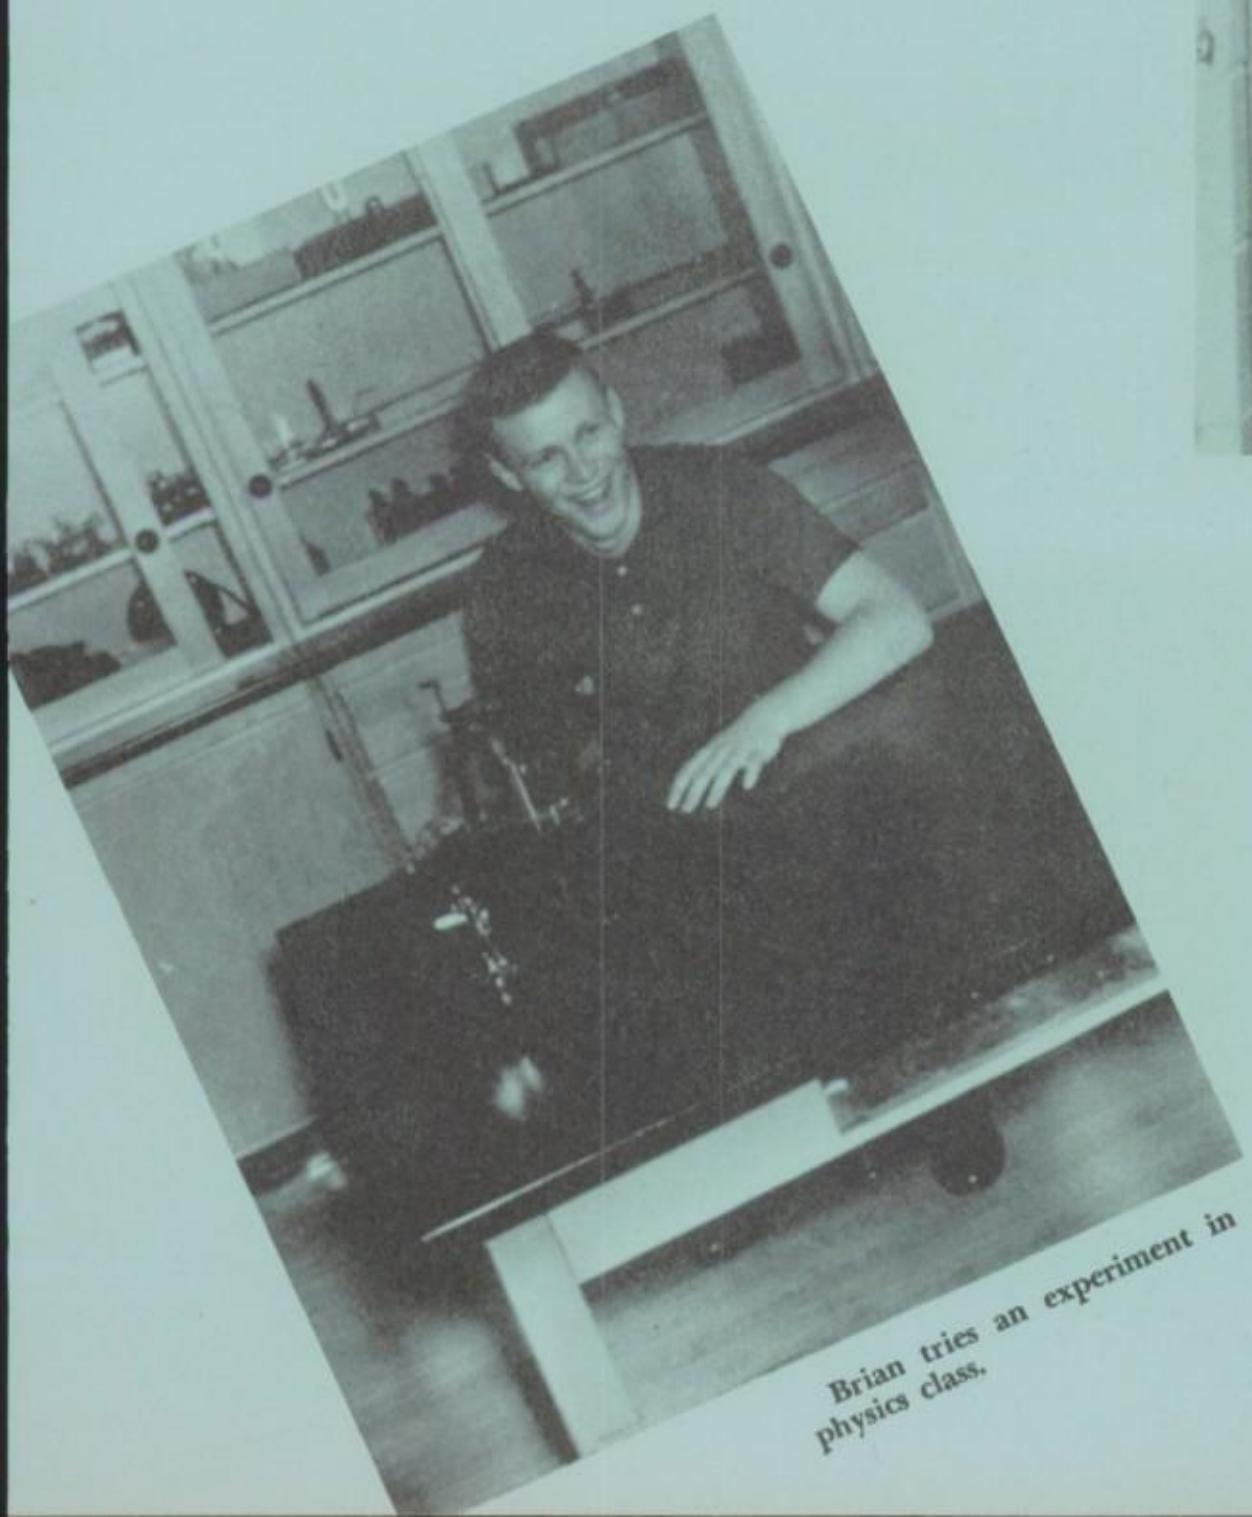
Linda talks with Miss Nesbitt about her English term paper.



Brian tries an experiment in physics class.

# The Alma Mater

Oh, come, let's sing our Wooster's praise
And songs to Alma Mater raise;
And for the school we hold most high,
We'll raise our voices to the sky.
To her we pledge our hearts and hands,
And loyal to her each one stands;
Preserve her honor far and near
Because we love her, Wooster dear.

# *Student Council*

The Student Council is the representative body of the high school, working with the students and faculty to help solve their mutual problems.

This past year was a very active one for Student Council because many new projects were sponsored by the group. These new projects included supervising all home-coming activities, the Christmas activities the week prior to Christmas, and all pep assemblies.

Other projects and activities of Student Council were promotion and sale of Student Activity Tickets; annual magazine sale; and sponsoring the orientation program at the beginning of the school year. This organization was also in charge of the noon monitor system.

Of special interest this year was the acceptance of the youth code by Wooster High School. Student Council managed the presentation of this code to the high school.

The high school was represented in the state by Jill Miller, who served as recording secretary for the State Student Council.

# *Inter-Club Council*

The presidents of all school affiliated clubs make up the Inter-Club Council. The purpose of the organization is to plan and co-ordinate the extra-curricular activity program of the high school, charter all clubs and help them with their problems. Another important duty of Inter-Club Council is to promote better relationship among the clubs.

An annual project of this group is to conduct a leadership training conference in the spring for all newly elected club officers. A new project this year was to work out a recognition program for all club sponsors.

# *National Honor Society*

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senior year.

The beautiful candlelight induction service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

# *The General*

In order to make this year's publications of the *General* the best ones ever the *General* staff worked diligently and energetically throughout the year. From the first issue in September until the sixteenth and last issue in June, the staff never was able to stop to take a breather.

This was a year full of changes for "the only paper in the world who cares two whoops for Wooster High." New columns such as May We Suggest, Sport-Tistics, and, of course, the famous Dear Eldo column were added. Record and show reviews plus a featured Panic Corner were also new attractions. In order to give bigger and better coverage, several six-page issues were published. New photography equipment was purchased for the darkroom, thus supplying more and better pictures for the paper. A few times throughout the year, the *General* had a different look — the color of the paper and print were changed.

"All work and no play" was not, by any means, the theme of the 1959-1960 staff members. Aided by our new, but very efficient adviser, Mr. Paul Ladd, everyone always found a bit of humor in some of the hardest tasks. The *General* had some problems during the past year, but they all seemed to work out well. Because there was a regular staff meeting held every

# *Library Club*

To many students the library is just a place to go for information, books, or to read magazines. Few are aware of the work that is carried on by the library club members.

Many hours are devoted to doing such things as checking students in and out, carding and shelving books, and inspecting books and magazines for needed repairs.

This indispensable service to the entire student body deserves their recognition and appreciation.

The club's main social events each year include a faculty tea at which new books are displayed, a pot-luck dinner, and a party for the Junior High Library.

# *Tri-H-Y*

Tri-Hi-Y is a service organization for any sophomore, junior, or senior girl, regardless of race, color, or creed.

The girls strive to live up to their motto—"pure thoughts, pure words, and pure actions."

A Tri-Hi-Y girl's purpose is to give of herself in order to help others. Her beautiful temple is like an empty shell unless it serves mankind through warm friendship and sympathetic understanding. True happiness is found only through service; for it is when she gives of herself — her time and talents, that she does truly give. This is the goal for which every Tri-Hi-Y girl strives.

# *Senior Hi-Y*

The Hi-Y is a service club for boys in the upper three grades of high school. Although it is affiliated with the YMCA, it is, in many ways, closely connected with the school. The basic objective of the organization is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." Paralleling the service values of the club is the development of character in the individual members. Each member is given a chance to serve himself through serving others. In this manner Hi-Y members are able to become better-developed citizens.

# *DECA*

All students enrolled in distributive education are DECA members. Distributive education trains students for careers in retailing, wholesaling, and service establishments. Students attend school part time and also receive supervised work experience under actual working conditions. Training stations for the students are local business firms where the student receives on-the-job training and is paid at the same rate as part-time adults.

Fund raising activities this year included bake sales, sponsoring a school dance, selling stationery and school pennants. These funds were used to sponsor a Christmas party for the Wayne County Children's Home, to take field trips, and to hold an Employer's appreciation banquet.

# *Filmbreakers*

The Filmbreakers Club is a service organization responsible for assisting in the visual aid program of the high school. The members of the club give up their study halls and evenings to show motion pictures, slides, and filmstrips to the various classes and clubs. Each member of the club is able to increase his knowledge from watching the movies. The showing of pictures also teaches the student how to run and care for the projectors and all other equipment used by the club.

A point system has been devised for the club. Each member must earn the required number of points in order to receive credidt for being a member of the club.

# *FNA*

Future Nurses Club has been active both in services toward the community and the school.

The Candy Stripers have been organized as a branch of the Ladies' Auxiliary at the Wooster Community Hospital. The members have volunteerd their time to work at the hospital semi-monthly, delivering flowers to the patients' rooms. At Christmas time the members participated in the club's project by again giving their time decorating the Christmas trees at the hospital and also visiting with the patients at Horn's Nursing Home.

The Future Nurses also worked as the nurses' aids in the school clinic which started at the beginning of the school year.

Some of the other club activities included a candlelight induction, films, speakers, tours, and a club picnic. Sponsoring a pep assembly and a post-game dance were also among the activities.

The purpose of this club is "to interest the students in the welfare and health of the community and to encourage them to discover all the personal satisfaction which nursing holds in store."

# FFA

The Future Farmers of America is a national organization established in 1927 to aid boys in getting started in farming or to train them for a related occupation.

Each year the Future Farmers are engaged in many contests. Among these are the parliamentary procedure and public speaking contests. In the 1960 county Parliamentary Procedure Contest the Wooster Chapter received a silver rating. The Chapter Public Speaking Contest winners of January 28, 1960, were: Prepared speech — Joe Bowen; Extemporaneous speech — Randy Leeper.

At the June 1959 State Farmer Convention Joe Bowen was elected State Farmer and North Eastern Sectional Vice-president. Joe has been kept very busy attending conferences and banquets, and speaking at Chapter meetings. He represented the Ohio FFA at the National Food Conference in Chicago.

The Wooster Chapter was well represented this past year at the State FFA Camp. Among those members attending were Joe Bowen, Danny Ungerer, Richard Bowman, Charles Crisco, Ken Bonnell, George Gingery, and Jon Zerrer. The camp is held every year at Camp Muskingum on Leesville Lake in Carroll County.

Each month a different FFA committee presented a fifteen minute radio program over WWST.

# *Knights of the Square Root Table Math Club*

Knights of the Square Root Table is the mathematic club of Wooster High School. The purposes of the club are to gain further knowledge of mathematics, to learn the applications of mathematics in related fields, and to stimulate interest in science.

The club is open to any student who is taking or has taken algebra, plane geometry, advanced algebra, trigonometry, or solid geometry. Any member of Math Club who can further fulfill certain qualifications is also eligible to become a member of Mu Alpha Theta, National Mathematics Club.

The Math Club had a very interesting year. Early in the year, all new members of Mu Alpha Theta were required to present a project or a report of some phase of mathematics. Each meeting was a challenge of intricate mathematical devices, or the challenge of a great man's accomplishments.

In January members met in Taylor Hall of the College of Wooster. Dr. Fobes, head of the department of mathematics, gave a most interesting talk. He had arranged a display of three-dimensioneal models and college texts which proved very informative.

All through the year the club was planning and preparing for the fourth annual Science Fair. A post-game dance was sponsored to earn money for this project.

Knights of the Square Root Table Club is always interested in instructing and leading the way for its members towards a fuller understanding of mathematics and its applications.

# *Mu Alpha Theta*

The Mu Alpha Theta Society is a national organization for juniors and seniors in high school or Junior College. Students are carefully chosen from the Knights of the Square Root Table Math Club by academic qualifications and recommendations from teachers. The club holds an impressive induction service and members receive the pin of the society.

This year as a group the organization visited the IBM department of Wooster Rubbermaid.

# *Les Amis Francais*

French club is intended to give its members a more thorough knowledge of French life, history, and literature.

Numerous activities during the year make up the programs. The Christmas party held in December is always a lot of fun for all. The trip to Cleveland to see an opera adds a bit of culture; also a pizza party in the spring lends some fun.

French Club is interesting and enjoyable and open to any student taking French.

# *Los Socios Espanoles*

Los Socios Espanoles is composed of first and second year Spanish students. Club meetings were held on the first Monday of each month. There were usually a special program with slides, a movie, or a speaker. These all add to members' cultural knowledge of Spain and Spanish speaking people.

The activities for the club this year were social as well as cultural. The first big event was the annual Christmas party with the French Club. On the program were several vocal numbers, a tap dance, and a Tango danced by Mr. Scolaro and Miss Conklin. This was followed by the traditional breaking of the Pinata. A dance ended the party.

Two other big events to be remembered were the pizza party and a trip to Cleveland, where the members attended a performance of an opera.

The National Forensic League is the official organization for sponsoring extra-curricular speech activites at Wooster High School. With a history which dates back to 1930, the local speech department points with pride to the victories won the current season, which enabled them to uphold the proud traditions.

Once again Wooster played host to the annual pre-Christmas tourney. Over 300 students from Eastern Ohio attended the one-day affair.

(continued from page 84)

For the second consecutive year, the local department served as host school for the district NFL tourney the last weekend in February. Twenty schools competed for the right to send entries to the national speech tournament held in California.

Students qualifying for the state tournament this year were: Mary Kaye Heisler, Richard Eppley, Sue Frantz, Pat Murphy, Claudia Johns, Kay Domhoff, and Jane Dodez. Jane also gets to attend the National Speech tournament in California, as she won first place at the NFL district in girls' extemporaneous speaking.

# WHSV

Students at Wooster High School gain experience for radio announcing by belonging to the radio club, know officially as WHSV, or Wooster High Student Voice.

In addition to announcing over the school public address system, opportunity is given to boys for speaking at football and basketball games. Students present devotions twice a week, either before the regular announcements, or before assembly programs.

The club also acts as the official sponsor for the school radio programs three times a week over Radio Station WWST-AM-FM.

Traditionally, the club sponsors at least one assembly a year.

The training given to many of the boys interested in engineering has led some of the boys into vocational pursuits along this line.

The staff for this year included:

Ralph Schreiber ..... *General manager*
Kathy Treat ..... *Chief announcer*
Sue Frantz ..... *Devotional chairman*
Allan Franks ..... *Music chairman*
Wilbur Mowrer ..... *Chief engineer*
Pat Culbertson ..... *Publicity*

# *Honor Thespians*

Any Thespian who has earned forty points by acting or working on play committees is entitled to be an Honor Thespian. Since hard work and a lot of self-sacrifice are required to gain these points, the Honor Thespians devote much of their time to dramatic arts in the high school.

The students receive their pins at the formal spring banquet.

# *Thespian Society*

"Act well your part; there all the honor lies." The motto of Thespian Society well symbolizes the spirit of this national organization. Thespian Society is an honorary dramatic organization with more than two thousand chapters in the United States. Membership is open to any member of Soc and Buskin who earns ten points by doing outstanding work in dramatic arts. The formal banquet in the spring is the only annual meeting. At this time senior members are recognized for their individual services and new members are inducted.

# *Soc and Buskin*

The Soc and Buskin Club is the center of the dramatic arts of Wooster High School. The soc is a type of soft moccasin which is the Greek symbol for the comedy. The buskin is a high-heeled, clumsy boot, also of Greek origin, that signifies the drama or tragedy.

The purpose of the Soc and Buskin Club is to promote interest and develop abilities in the field of dramatics. This includes not only acting, but also the many behind-the-scenes tasks without which a play could not be produced.

Membership is open to any student who has completed one year in the Apprentice Club. Meetings are held once each month on Monday night, three of which are devoted to skits given by the senior, junior, and sophomore classes respectively.

Each year the club presents two three-act plays for the public that are true highlights of the school calendar. The fall production this year was "Our Hearts Were Young and Gay." The spring production was "Melody Jones."

## *Band*

The band had one of its most successful years in both its marching and concert seasons. The highlight of the year was the New York trip in June, and the band's appearance in the Lions' Club International Convention Parade. One hundred and fourteen band members, Mr. Emig, and thirteen chaperones made the memorable five-day trip, sponsored by the Wooster Lions Club. The band placed among the first ten bands in the Judges' parade ratings.

## Band

(continued from page 94)

In October, the band performed at the Cleveland Browns football game, and presented a difficult routine of precision marching to a cheering crowd and to a national television audience. The band's half-time performances during the Wooster football season were received with enthusiasm.

Soloists and ensembles from the band placed high at the district and state contests held at Kent State University. The band climaxed the year with their annual spring concert in May. Especially well received were these symphonic band numbers: "Mannin Veen" by Haydn Wood, "Sequoia" by H. LeGassey, and "Elsa's Procession to the Cathedral" from "Lohengrin" by Richard Wagner.

# *Senior Choir*

The ninety-four member senior choir opened the 1959-1960 season by singing a varied and inspiring program for the music mothers. This concert was followed by their apt and tasteful Thanksgiving assembly, which was well received by an appreciative audience.

The Christmas Sing was presented to an audience numbering over 1500 people. Their choral renditions were said to be outstanding. The chorus once again sang Handel's Hallelujah Chorus. This masterful work was accompanied by sophomore Carolyn Ross.

The senior choir, capable of singing both a capella and accompanied music, delivered both religious and secular selections of art literature for the large audience attending the spring concert.

The concluding concerts were the Commencement and Baccalaureate programs.

## *Mixed Chorus*

The Mixed Chorus this year was an outstanding vocal group. Although numbering just 56 members, the chorus had power enough to present many stirring and forceful anthems. The tone quality was exceptionally beautiful and controlled.

This group was accompanied by talented Jo Anne Tanner.

Their first concert was well received by the Music Mothers' organization. Other activities included singing for the Christmas Sing, two assemblies, and a radio show.

## *Freshman Girls Glee*

"Never have they been so outstanding." This was the verdict of the audiences who were fortunate enough to hear the 1959-1960 Girls Glee.

The girls delivered anthems at the Christmas Sing which were molded to perfection. Clear diction, fine balance, perfect control of phrases have never been so well mastered as they were by this group of girls.

Because of the tremendous interest these 9th grade girls had in singing for audiences, an additional concert was presented. Also, a radio show was prepared for the local Wooster broadcasting station.

## *Varsity Football*

The Wooster Generals looked very good in their first game, the preview, by beating Delaware 25-6.

In the next three games the Generals were hampered by fumbles, which led to touchdowns for the opposing teams. The Generals were swamped 28-0 by Dover. Then, with a tightening in the defense, they lost to North Canton and Berea by the same small score of 14-8.

With an even better defense the Generals came out on the top part of the same score, 14-8, against the next three teams — New Philadelphia, Crestline, and Ashland. New Philadelphia was the 1959 Home-coming game.

Two more wins by the Generals, 23-6 over Mansfield Madison and 28-8 over Canton Lehman, increased their winning streak to five straight games before the traditional Wooster-Orrville clash. However, the Generals did not fare so well in this game and went down to defeat 32-22 at the merciless hands of Bobby Howard, halfback for Orrville.

Though the Generals had just lost to their biggest rival and were considered underdogs to the powerful Shelby team, they were out for revenge. In this last game of the season the Generals dealt the undefeated Shelby Whippets a large 20-0 defeat. The final record for the Wooster Generals was six wins, four losses, and no ties.

# *Reserve Football*

The 1959 Junior varsity squad under the coaching of John McCreary and Allen Gamertsfelder ended their season with a five wins, three losses record. They won their first five games, not letting the opposing team score more than one touchdown.

They trounced Wadsworth 32-6; slid past Orrville 8-0; and rolled over Dover, Ashland, and Medina, 30-8, 28-6, and 34-6 respectively.

In the next game, away at Barberton, they met their first defeat at a 32-20 count. The second to the last game was the one for which the boys had worked the hardest — the game with Waynedale Varsity. Though they tried hard, the J.V.'s went down to a crashing 32-20 defeat. In the last game of the season, the J.V's went down to their third defeat 14-0 to Mansfield Madison.

# *Freshman Football*

The freshman team started the season off with an impressive 26-8 win over Ashland at home. The next game was a 26-6 blast over Wooster's arch rival Orrville at home.

On the road to New Philadelphia, the freshmen had much better luck, resulting in a 24-0 win.

Returning to their own home ground, the freshmen met the reserves of Wadsworth on equal terms and battled it out to a 14-14 tie.

In the next away game at Dover the future Generals fell to Dover by the score of 14-8.

The last home stand and the last game of the year, the freshmen fought hard but were overpowered 22-8 by Mansfield Madison.

The final record for the future Generals was three wins, two losses, and one tie, showing that with improvement the team has a great future.

# *Boys "W" Association*

With the idea of promoting good conduct and good sportsmanship, this year's "W" boys have done much for Wooster High School.

During the winter the "W" boys kept order in the new gym, helped referee intramural wrestling matches and basketball games, and served as ushers at varsity basketball games. This year as always the boys sponsored a dance after the annual Night Relays.

For the second year in a row, the "W" boys along with the Leaders Club put on an assembly for the high school. They bought a new banner for the cheerleaders.

# *Varsity Basketball*

With only four lettermen returning from last year's team, Mr. Gallapoo developed his roundballers into a team with a brilliant 15 wins, 5 losses record. Ted Huxley developed into a first-string guard to fill the starting five lineup of Ralph Schreiber, Brian Boling, Butch Guenther, Bob Walter, and Huxley.

Schreiber scored the most points during the season with 272; Boling had the most rebounds with 174; and Huxley obtained this year's record for the most assists with 77.

One of Wooster's biggest upsets was a 66-61 victory over the Ashland Arrows, then rated fifth in the state.

The Generals went into tournament action with a rugged 14-4 record. Favored to be victors of the local tournaments, the Generals trounced their first foe, Smithville, by the score of 64-49. In their second tournament game, however, the Generals just did not have anything on the ball. They went down to a miserable defeat at the hands of Loudonville, whom they had beaten earlier in the season, by the score of 40-36. The Generals scored a fewer number of points in this game than they had scored in any other game all season.

Next year Mr. Gallapoo will have four returning lettermen and a fine reserve team with which to work.

# *Reserve Basketball*

This year's reserve squad accomplished the miraculous feat of winning all sixteen games without a loss.

Glenn Smith led the future Generals with 172 points followed by Bill Eaves and Ron Everhart with 165 and 154 points respectively.

Although the starting line up consisted of four juniors, the bench was strong with good sophomore substitutes for every position.

With such a good record this year's reserves should be of great assistance in next year's varsity basketball squad.

# *Freshman Basketball*

The freshman basketball team under the direction of Coach Cliff Elliott maintained an undefeated season up to the final game of the Barberton Freshman Tournaments.

Along with its 16 wins, one losses record, Wooster won its own Holiday Invitational Tournament and finished second to Cuyahoga Falls Red in the Barberton Tournament.

The freshman averaged 53 points per game while holding their opponents to a mere 32 points per game.

These boys should be good material for next year's reserve basketball squad.

# *Wrestling*

The 1959-60 edition of the General wrestlers pulled out a winnig season despite injuries to key men and forfeits. Because of this Wooster was down at least ten points before each match began. This year's team won nine matches by determination and lost seven, although they never looked bad at any moment. Their record is not outstanding but a record can not show how hard these matmen worked. Wooster had one of the finest wrestling teams in northeastern Ohio.

From fifteen lettermen only four, Phil Massaro, John Hartmann, Bob Anderson, and Tom Fischer, will be graduated. However, their places will be very hard to fill. Eleven returning lettermen will surely give Wooster a good season in that department.

# *Swimming*

Although the swimming team's record was not very impressive, one win and nine losses, four of the tankmen went to state in a medley relay. Freshman Rich Snoddy swam the backstroke in the relay; junior Everett Burgess, breaststroke; junior Charles Vaughn, butterfly; and senior Jim Moxon, the freestyle.

The team had some good swimmers but lacked the depth to help them win meets.

Only six men from this year's team received awards. Snoddy received his first year award. Second year award winners were Charles Vaugh, Dave Houser, Russell Yamazaki, and Jim Moxon. Junior Everett Burges was the only three-year letterman.

# *Varsity and Reserve Baseball*

There were from forty-five to fifty boys out for baseball this year. Although there were some key men lost from last year's team, which won seventeen and lost nine, the Generals had eleven returning lettermen. These returning lettermen, along with some fine prospects from last year's reserve team, should give Coach Nick Dellerba a tough group of players from which he can choose his starting nine.

Senior lettermen are Brian Boling, Hadley Jewell, John Adams, Vance Krites, Joe Bowen, Butch Guenther, Bob Walter, and Steve Woolsey. The other three returning lettermen are juniors, Dave Maurer, Francis Cicconetti, and Lonnie King.

# Golf

Coach Ken Zuercher's golfers are swinging toward a big season this year with forty young hopefuls turning out this spring.

Leading the group are two-year returning lettermen, seniors Sam Stewart and Bill Weekley, and a returning junior letterman, Ron Everhart. These three should lead the way to a fine season although they will be pushed by a fine group of underclassmen, who will have a crack at the starting four positions.

This year's team should be very tough, and it is certain that they will put on a good performance for W.H.S.

Last year's team compiled a nine wins, three losses, one tie record, and placed eighth out of fifty teams in district competition.

# GAA Officers and Sportsboard

Sportsboard, the governing body of GAA, consists of four elected officers and eleven appointed managers.

These girls, working closely with their adviser, Miss Betty Basnett, plan the program of GAA activities for the year.

This organization sponsors a cupcake sale each year to raise money for the various activities.

Each year the GAA along with "W" Girls gives a scholarship to a worthy senior intending to continue in the field of physical education.

(continued from page 60)

Tuesday morning at 7:45, one of the problems for a few staff members was getting up extra early.

During the twenty-third year of publication the *General* tried to uphold all journalistic standards and traditions. As the official news source of the school, it was published bi-weekly by the students of Wooster High School. It is a self-supporting newspaper. Single copies were sold for 10 cents.

Did you ever wish that you could read someone's mind? Well, you won't even have to try to read a mind, for now you are going to listen to a person's thoughts. Sound interesting? Who is the person whose thoughts you are going to hear? His name is not important. It could be Tom, Dick, Harry, Mary or Sue. Let us call him John, for he merely is typical of any senior at Wooster High School. It is the night before our senior will proudly receive his diploma. He can be seen sitting thoughtfully on the top step of the stairs in the main hall at good ole W.H.S.

Let's listen to what he is thinking.

"Gee, you know I'm really going to miss this place. Who would ever believe that I of all people would ever say that I would miss school. When I was a freshman, I used to dream of the time when I would be a senior – just so that I'd be finished with high school. Well, here I am a senior. Four years have gone by since I was a freshman. Four whole years. Why, it seems like only yesterday that I timidly sat down in the auditorium, waiting for my name to be called telling me what my home room number would be.

"I remember how I looked up to the 'big' seniors. Was I ever proud when one spoke to me! But here I am now. I am a senior. I surely don't feel very 'big,' though. I remember when our freshman basketball team finished the season with a 13-1 record – one of the best in years. To top it all off, they won the Barberton Tournament. We were really proud of them.

"Bob Anderson received a letter in wrestling. This is quite rare for a freshman.

"Claudia Johns reached the state contest in humorous declamation as a freshman. She has really carried on a great tradition in speech for Wooster High!

"I'll never forget those assemblies when a man from the Curtis Publishing Company explained to us the correct way to sell magazines. Loice Ann Speck was the energetic soul in our class, for she was second place in magazine sales. She must have had an extra good sales talk!

"We beat Orrville 20-6 at the Wooster Homecoming. That was really a great game, and a smashing success for the Generals.

"All those who took Latin will remember our Latin Club called Novi Iuvenes Romani, which means Modern Roman Youth. We elected Linda Shearer to head this organization. One of the outstanding programs was a quiz program entitled "Pecunia Duobus," which means "Money for Two." The program was sponsored by Boni Boni cereal manufacturers. The contestants all won considerable amounts; however, the $25,000 question still remains unanswered.

"Marcia Franks, one of the talented musicians in our class, received a superior rating for her violin solo at district competition. This entitled her to go to the state contest at Kent.

"Our class always was well-rounded, for besides having students active in sports and dramatics, we also have several outstanding in scholarship. Russell Yamazaki and Joe Beeler had the top scores in the 9th Grade General Science scholarship test.

"Oh, yes. I couldn't forget our cheerleaders. Jill Miller and Sandy, better known as "Punky" Mullet were chosen to be on the squad of the four reserve cheerleaders.

"That ended my freshman year. I now had three months of summer vacation and basking in the sun."

Suddenly John, our typical senior wakes from his thoughts and looks around him. He notices the familiar walls and the globe standing in the center of the main hall. His mind again wanders – wanders back three years to the time when he was a sophomore.

"With the beginning of our sophomore year, came the election of our class officers. Brian was our first president. The other officers were Russ Yamazaki, vice-president; Linda Shearer, secretary-treasurer; and co-social chairmen, Jackie Hersman and Ray Iannarelli. Our advisers were Mrs. Tracy and Mr. Zuercher.

"Because we were sophomores now we were permitted to join more clubs. Russ Yamazaki, vice-president of our class, was elected our Hi-Y president. Judy Amstutz was Tri-Hi-Y president.

"Who could forget Latin Club and the Roman Banquet? Charles Kindsvatter, our president, played Julius Caesar at the gala banquet. He did a great job chanting in Latin as I remember. All the members wore colorful Roman togas and sandals. If Caesar could have seen us, I know that he would have turned over in his grave.

"Jane and Jean Zimmerman, dressed in black slacks and white blazers, strummed a win on their guitars to the tune of "Rip It Up" in the Radio Club assembly talent division.

"Jane Dodez was selected head majorette. This is really an honor as she was chosen over junior and senior girls. She really was spectacularly dressed in golden taffeta, strutting down the field. Joanne Picking was the other great sophomore majorette.

"Our reserve football team didn't fare so well this year as they did last year. We won three and lost four. These scores don't do justice to the guys' efforts, though!

"Marcia Franks, Jill Miller, Sandy Mullet, and Linda Shearer were our reserve cheerleaders. Speaking of sports, it's really an honor for a guy and a gal to receive a letter in his sophomore year. We had several guys who did: John Adams, Bob Anderson, Brian Boling, Joe Bowen, Tom Fischer, Dick Gordon, Butch Guenther, Phil Massaro, Dean Robertson, Rob Robison, John Sheller, Sam Stewart, Bob Walter, and Bill Weekley. The girls were Judy Amstutz, Kay Domhoff, Jackie Hersman, Jill Miller, Linda Shearer, Beth Snoddy, Miff Yocum, and Linda Zufall.

"Although we weren't allowed to attend the prom, Miff Yocum and Tom Fischer didn't follow the rules. They went. It was legal, though. They were merely the waitress and waiter. Sneeky, huh?

"Again we had several students who ranked high in scholarship. Russ Yamazaki placed ninth in the state in biology and Joe Beeler and Sharon Yoder placed thirteenth in the same division.

"Sharon Yoder also excelled in Wooster's Science Fair. She won the grand prize for her exhibition on microbiology.

"One of the bigger events of the year was the dedication of the beautiful new gym. We really are lucky to have a gym such as this, and should be proud of it.

"Our class even has a singer in its midst. Jean Zimmerman was one of the soloists in the Christmas Sing.

"We ended our sophomore year with our class party which was well attended and enjoyed by all."

Ahead lay three long months of vacation. They were easily occupied, though, because Wooster was celebrating its 150th anniversary. How could one ever forget "The Wooster Story" beginning with Indian scenes and including pioneer Civil War scenes, the Gay Nineties, and W.W. I and II. The climax of the story was the Atomic Age scene with the simulated atomic bomb and the satellite. It was only right that we who have benefited from the work of those before us should take time out to remember and honor them.

All vacations must eventually end, so back to school we all went. Our junior year was a big one. We were responsible for planning the prom. Our officers had the big task of planning it. We elected Charles Kindsvatter president, Tom Fischer vice-president, Barb Morgan secretary, Pat Murphy treasurer, and Amy Steiner and Ray Iannarelli co-social chairmen. As Mrs. Tracy, one of our advisors, retired from teaching, we filled the vacancy with Mrs. Ramseyer, a newcomer to W.H.S.

Our junior year will always be remembered for many things; Beth Rhode and Jill Miller were co-president of Tri-Hi-Y, while Brian Boling headed Hi-Y. Jane Dodez was once again head majorette, while Mary Anne Johnson, Joanne Picking, and Carolyn Whitford were the other junior majorettes.

With majorettes come football games. Wooster didn't have a very spectacular season, but it showed promise for next year.

(continued from page 154)

Home-coming is always a big event at Wooster. Two of our junior girls served as attendants. They were Jill Miller and Miff Yocum.

After football came basketball. Wooster really went to town here. The team won 15 out of 22 games, and went to the District.

We did well in track, too, for we won the Wooster Night Relays and the Wayne County Track crowns. Three boys qualified for state. They were John Hoessle, Dick Gordon, and Bruce Glick.

Wooster might not have a Sammy Snead, but it does have a Sam Stewart. Sam won the junior men's division of the J. C. Tournament.

Sharon Yoder and Sara Mishler excelled in the Science Fair. They both got a superior at District enabling them to go to state. Sharon grew crystals for her project, and took another superior at state. Sara got an excellent at state for her math project.

Each year there are several students who travel to state in music and speech. Wooster really has a great speech and music department that turns out many good orators and musicians. Mary Ann Johson, Phillis Duberstein, Liz Freeman, Judy Baer, Marcia Franks, Ann Dush, Joan Collier, Jerry Clouse, Dave Parfitt, and Russ Yamazaki went to state in music. Those going in speech were Jane Dodez, Kay Domhoff, Claudia Johns, and Pat Murphy.

In the spring of the year, five per cent of the juniors are admitted to National Honor Society. This is always an honor for the kids who meet the qualifications and are accepted. Charles Kindsvatter, Rich Senff, and John Veney were the three junior boys. Jan Hanzel, Jill Miller, Sara Mishler, Barb Morgan, Pat Murphy, Linda Shearer, Amy Steiner, Sharon Yoder, and Linda Zufall were the girls.

Our junior year was drawing to a close with one last event in the near future — "Stairway to the Stars," our prom theme. Dick Stephens' orchestra played at the long-awaited event. Even the dreary, rainy night couldn't keep the prom from being a wonderful night. Linda Shearer and Miff Yocum were the junior attendants. The prom soon ended, but at least majestic memories are left. We could never forget all the time and work that we spent on the prom. But the class all worked together and made it all fun!

Our junior year ended as we watched the tearful seniors receive their diplomas. We, too, would soon be leaving W.H.S.

During the summer several of our class mates toured the world. Jill Miller was selected by the National Student Council to tour Europe with kids from all over the United States.

Claudia Johns, Sara Mishler, and Pat Murphy were our representatives to Girls' State, while Charles Kindsvatter and John Veney went to Boys' State. Sharon Bollinger went to Girls' State as Sara was ill. Brian Boling went to the eleventh annual United Nations Pilgrimage of Youth.

The W.H.S. band traveled to New York where they participated in the Lions' International Convention Parade, where they placed tenth in a field of about one hundred other bands.

We've nearly forgotten our typical senior John. We've been so busy reading his mind that we've neglected him. Let's see what he is doing.

"Well, tomorrow night is the big night. We'll receive our diplomas. I just can't believe it. Our senior year is ended. I think that this year flew by faster than any of them. I guess that it was just because we were all so busy. We were always running some where, but now it's all in the past. Gosh, I'm really going to miss the basketball and football games. I know that our cheerleaders Jackie Hersman, Jill Miller, and Linda Shearer will, too.

"Judy Baer was Hallowe'en queen and Bob Gray was in the court. That was seven months ago. It seems like only yesterday . . ."

And so our typical senior's mind wanders again. Let's listen in.

"Linda Shearer was editor of the *General* and John Veney headed the *Annual*.

"Two of our girls sang in the Xmas sing—Lynn Barber and Ellen Martin.

"Everyone who took the National Merit Scholarship test certainly could never forget those questions that were asked! Three of our classmates were included among the finalists — Joe Beeler, Bonnie Kail, and Russ Yamazaki. They are eligible for a scholarship.

"Every year two seniors are selected to go to the annual seminars on international relations. This year Beth Brown and Bruce Glick went.

"Sharon Yoder again excelled in the Science Fair. She took grand prize for her two year study of crystal growing. To top this honor off, she was included in the top ten per cent of all those entered in the Westinghouse Science Talent Search. We're all proud of Sharon!

"Linda Shearer was chosen by the Daughters of the American Revolution as the Good Citizen of Wooster.

"Wooster again had several students who qualified for state in speech and music. Those who qualified in speech were Jane Dodez, Kay Domhoff, Claudia Johns, and Pat Murphy. Jane also qualified for the Nationals, which are to be held in San Diego, California. Those who went to state in music were Judy Amstutz, Judy Baer, Lynn Barber, Elaine Catliff, Jerry Clouse, Joan Collier, Barb Diehr, Francis Dominic, Phillis Duberstein, Marcia Franks, Liz Freeman, Mary Anne Johnson, Bonnie Kail. Liz King, Dave Metz, Joan Mills, Carol Neal, Donna Salisbury, Loice Ann Speck, and Russ Yamazaki.

"We'll always remember our student council president, Charles Kindsvatter, and all of his jokes.

"Heading Tri-Hi-Y our last year were co-presidents Linda Zufall and Pat Murphy. John Veney was Hi-Y president.

"It's really an honor for a girl to be chosen Home-coming queen. This year Jill Miller was the queen while Joan Mills and Miff Yocum were the two senior attendants.

"In April, Judy Amstutz and Marcia Logee attended the Tri-Hi-Y Youth-in-Government program where they learned how our government functions.

"Joe Bowen, president of F.F.A., was chosen a State farmer. Only two per cent of the F.F.A. boys receive this award.

"Our senior year was nearly over. It was really a great year under the leadership of our president, Rob Robison. The other officers were vice-president Tom Jones, secretary Jackie Berger, treasurer Judy Amstutz, and co-social chairmen Vikki Lintala and John Kindsvatter.

"The junior-senior prom, 'Le Jardin d'Amour,' was a wonderful way to end four years that we had spent at W.H.S."

John, our typical senior, stands up and stretches. He looks at his watch and realizes that he has been daydreaming for nearly thirty-five minutes. He slowly walks down the steps. He touches the globe in the center of the hall. What are his last thoughts?

"Well, we're ready to go out into the world now. No more mom and pop to look after us. We're on our own. I remember what the speaker said at the Youth-day assembly. He said that in order to accomplish all our dreams, hopes, and desires we must push ourselves ever onward. We must drive ourselves until we can't take another step — but then take just one more step.

"So many people step out into the world and begin walking through the paths of life. Many take short cuts and tread on the easy paths. But one brave man courageously stepped out into the world. He did't take a short cut — he walked straight ahead through a path not yet trodden by man. It was a rugged path but the brave man didn't turn back; he kept right on going. Finally he reached the end of the path. He saw a fierce-looking man with a long beard standing in the middle of the road. This brave man walked up to the ugly man. He took hold of his beard and pulled.

It immedidately fell off — with just a littlebit of effort.

"This ugly man, representing the big, scary world, was just wearing the beard to frighten away those who take the short cuts in life."

John slowly opens the door, remembering these words of wisdom. He steps outside, closing the door on Wooster High School. No, he knows that he hasn't finished — he has just begun.

# *Class Will*

We, the Senior Class of nineteen hundred and sixty, in humble remembrance of the many things which we have received during the past four years, and with sincere desire to leave to our Alma Mater a legacy, which to us has proved of inestimable value, do hereby submit this will and testament.

Jack Biddle wills his black Chevy to Dave Maurer.

Galen Rike leaves many unfinished pictures for Bill Vodra.

Ray Iannarelli leaves his hot-roddin' to Gene Cantleberry.

Skip Rowan leaves hurriedly in the Wooster Floral Delivery Truck.

Vance Krites leves his penmanship to Coach McCreary . . . Oh, Yeah!

Bill Weekley leaves his golf shoes to, "anyone who can fill 'em."

Bob Rose leaves his library permits to Miss Hudson.

Dale Jewell leaves the keys to the Maurer Field locker room to Mark Axe.

Don Ward leaves his paints and brushes to any aspiring young artists of next year.

Rex Bennett leaves his muscles to Warren Barnes.

Charles Dunn leaves his tennis ability to Bill Miller.

Donna Metzger leaves her skating honors to Jim Harmer.

James Robertson wishes that he could leave his brother behind but the teachers won't take him.

Kay Domhoff leaves her academic record to anyone smart enough to equal it.

Jan Hanzel leaves next year's aquacade practice to Sue Frantz.

Vikki Lintala leaves with "Horrible."

Jane Hesson leaves her "W" to Mady Miller.

Jerry Hurst leaves his '55 Chev at Sam's.

Joan Mills leaves her cool giggle to Jeanne Funk.

Theda Prinkey leaves her dancing ability to Carie Lamont.

Harlan Gregor leaves his Traction Master jacket to Ollie.

Aubrey Harmon leaves his hot rod magazines in his locker.

The Beatniks leave the auditorium quiet at noon and Mr. Majerczak without any patience.

Dick Hamilton leaves the coaching staff with the problem of finding a manager half as good as he.

Ralph Keister leaves for a theater in Canton.

Hadley Jewell leaves the nickname of "Horrible" to Ted Huxley.

Mike Cranmer leaves his height to John Crites.

Al Cranmer leaves his honored position in the front seat in Mrs. Gregg's English class to anyone who can perform the feats which are necessary to receive this honor.

Jim Moxon leaves his swimming ability to Everett Burgess.

Phil Massaro leaves WHS without a "Payday." (The teachers probably won't care for this.)

## FTA

(continued from page 70)

A major project of the year is the Elementary Observation and Participation Project during which the junior and senior club members observe and teach for two days in the Wooster elementary schools. The club also sells bookcovers at the beginning of each semester.

In the fall, the club sponsored a post-game dance, proceeds of which went to the club's scholarship fund. Making a float to enter in the Home-coming Parade was a new project this year. Decorating for Baccalaureate and Commencement was also done by club members as in the past. The May Breakfast, which is the recognition of the seniors of the club, climaxed the year's activities.

This year the club sent four delegates, Jackie Berger, Loice Ann Speck, Bonnie Kail, and Barbara Crowley, to the state conference at Oberlin in October. Sharon Bollinger and Mady Miller represented the club as ushers at the N.E.O.T.A. Convention in Cleveland in the fall.

# *Class Prophecy*

I had to know. That's why I was here. It all started several weeks ago when I was looking through an old Wooster High School Annual. It was dated 1960 — twenty years ago. As I looked at the faces of my former classmates, I began to wonder. I just had to know. Where were they and what were they doing? That's why I was here, standing in front of this strange building. Should I go in? Yes, I had to know. I mounted the steps slowly. At the top was a closed door with a sign that read: "Madame X reads the present, past, and the future." I opened the door and beheld a strange new world. In the corner of the room was a table with a glass ball in the center. A voice rang out from some unknown place. It told me to sit down.

Immediately a mysterious woman veiled in black entered the room. It was Madame X. I told her what I wanted. I had to know what my former classmates were doing. A cloud of smoke rose from the glass ball. In the midst of the smoke, I could see the names of my past friends. This is what I beheld in the midst of the smoke:

Judy Aber is writing advice to the lovelorn column in the *New York Times.*
Carolyn Baker is head BAKER in her own bakery in Alaska.
Sarah Dalbey has made a small fortune DALBEYing around in the Stock Market.
Janet Donaldson is the national chairman of the Senior Scout Round-Up Program.
Liz Freeman, a famous orator, is in Washington, D.C., giving an oration concerning the rights of a FREEMAN.
Jerry Clouse is directing the band in WHS and giving trombone lessons.
John Hoessle has just returned from a mo-ped trip around the world.
Lois Horn is a stewardess on TWA's plane to Mars.
Sue Irvin is writing "Little IRVIN" in the comic strips.
Bonnie Kail's book, *Fundamentals of Chemistry and Their Applications in Modern Life,* has just come off the press.
Lynn McAlister is styling hair with Joe Portaro.
Dave Parfitt is trying to make his first SPECK of money at playing professional chess.
Pat Peacock has a famous peacock farm in Florida.
Lee Perez, the manager of the Latin Quarter in New York, is dancing in a chorus line.
Nancy Taylor is the head TAYLOR at Sak's in New York City.
Nancy Schmid is a famous game hunter in Africa. Be sure to see her latest movie "My Dream Came True in Africa."
Martina Monaco, a well-known missionary nurse, is trying to teach the African cannibals how to have a balanced diet.
Beth Buchholz has just been named "Florence Nightingale II."
Elaine Catliff is the proud owner of a famous CAT farm in Colorado.
Joan Collier is playing a piccalo in the Philharmonic Orchestra.
Bonnie Danner is the proud manager of the first woman's professional baseball league.
Beth Rhode throws parties every weekend.
Marilyn Rich sits in her office all day counting money.
Marcia Logee is a stunt driver. She goes through garages.
Nancy Paull models for some big company in New York.
Betty Kraft makes her own cheese.
Alice Haley tours the country side with her ant colony.
Rich Senff is working with Dr. Jekyll's experiments.
Frances Dominic sings in the Metropolitan Opera House.
Marjorie Buckwalter runs a Kiddie Kollege.
Betsy Ross Bell owns her own flag company.
Jane Waltz teaches ballroom dancing.
Bruce Glick and Ralph Schreiber run a Lonely Hearts Club for birds.
Linda Brinkerhoff is president of the secret agency called Quack.
Jack Biddle is Fire Chief, Coroner, and Police Chief of our fair city.
Beverly Bach owns her own candy factory.
Jane Jones has taken over where Emily Post left off.
Carol Kiefer is head nurse at the Community Hospital.
Rob Robison and Lynn Swartz took their bongos and are in Greenwich Village.

Dave Andrews has just released his latest record, "Sing Along with Dave."
Barb Dyer is a famous dyer in a textile mill.
Carol DiOrio has just released her latest book, *Habits of the BaltimoreORIO.*

The smoke grew dim as I beheld the last name. It was that of Barb Crowley. She is doing TV commercials for Whisy Washy soap in her spare time. She also teaches kindergarten in California.

As I left the room, I felt both happy and sad. I was happy for my classmates who had found success, but I was also rather lonely. I would perhaps never see them again. All that I had left were fond memories of all my friends that I had made twenty years ago at W.H.S.

## Track

(continued from page 119)

For his second year as track coach, Mr. Gordon Downie is looking forward to a fine season. Twelve of his last year's nineteen lettermen are returning.

Last year Mr. Downie's cindermen compiled an eleven win, one loss record. They lost only to the powerful Massillon Tigers, one of their biggest foes for this season. Besides compiling such a fine record, the trackmen were the first to win the Night Relays for Wooster in its eleven years of existence. They broke a total of twenty-seven school, track, and special meet records plus sending a mile relay team, a half-miler, and a high jumper to Columbus for state competition.
